Introduction

Several years ago I received a copy of the Family History for William Archie Cannon from Rosa Mae Weeks. For years since, we have been collecting additional information about our Family History. A lot of family members have been asking for a copy of the data that I have. This year I have updated the family history with the information that I have.

Some dates are incomplete and possibly incorrect. Please review your immediate families information and let me know of any changes. Within the next couple of months, I will have this information on my website, <http://www.plymel.net/>.

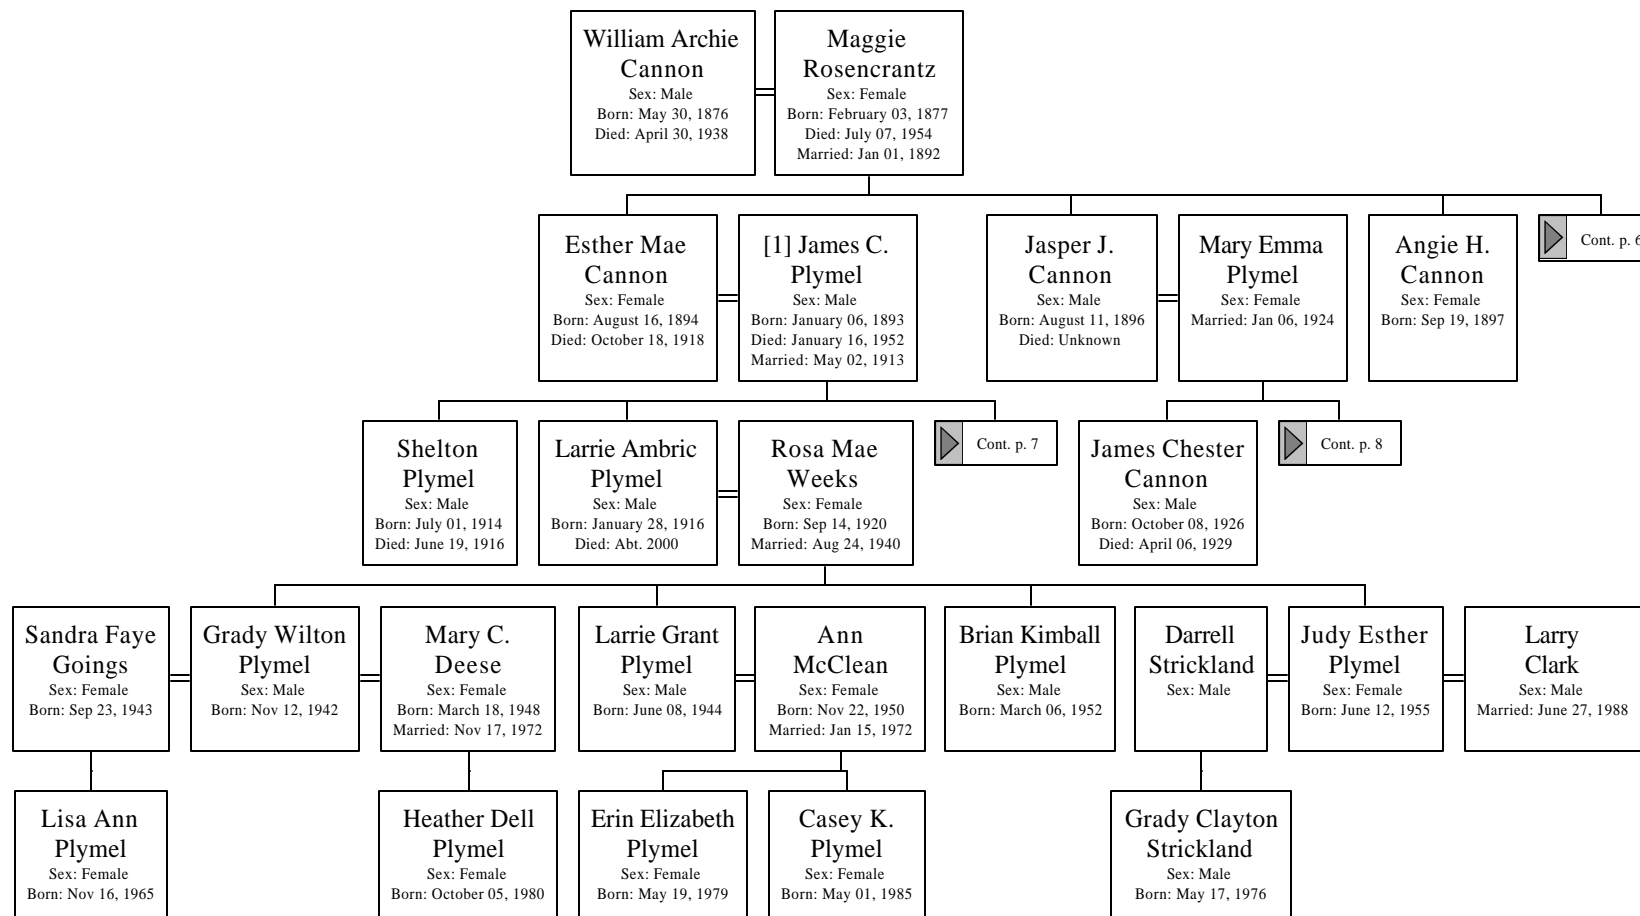

You can send any changes to me at the following:
